Winner for Best Director - Cannes Film Festival 1987

Genre:

Drama

Synopsis:

The sky over Wenders' war-scarred Berlin is full of gentle, trench coated angels who listen to the tortured thoughts of mortals and try to comfort them. Told from the angel's point of view, Daniel wishes to become mortal after falling in love with a beautiful trapeze artist, Marion. Ultimately, he determines that he must experience humanity in full, including simple joys of a human experience, such as the sublime combination of coffee and cigarettes, and break through into the real world to pursue a life with Marion…
